What to Expect

Above all else, expect to have a luxurious weekend getaway in the Rocky Mountain splendor of Colorado. Expect five star guest ranch accommodations, meals and service. Be sure to bring your partner or invite your horsey friends, but you'll feel comfortable coming on your own and will make plenty of new friends. Check out www.clazyu.com for complete details about the ranch and watch the online video: <http://clazyu.com/TheRanch/RanchVideo/tabid/212/Default.aspx>

This renowned guest ranch, in cooperation with Julie Goodnight, have put together a ranch riding weekend to entice visitors to the ranch during the shoulder seasons. Take advantage of discounted rates for world-class accommodations with riding clinics and ranch activities included.

Spa services are available at the ranch but not a part of the structured program. Feel free to participate in as much or as little of the planned program as you want and if you want to schedule some spa treatments, you should be able to find time. You can schedule spa treatments once you are at the ranch.

Some participants will bring their own horses and others will use one of the many great trail horses at C Lazy U; board or use of a ranch horse is included in the cost. Please let the ranch know when you register if you are bringing a horse or need one of the ranch horses.

The clinic sessions with Julie Goodnight and her assistant trainers will be fun and productive with all riders and horses working at their own pace. Julie is there to make sure you have a good time, stay safe and learn something. She is really good at putting everyone at ease and making you feel more confident. From Julie's point of view, she is there for you—not the other way around. It's not about egos or impressing people, it's about you and your horse and making what progress you can while you have a good time.

The riding sessions will be divided into two groups, and each group will have four sessions per day: a clinic with Julie, trail obstacles, cattle sorting and trail riding. We will break into two riding groups the first night and make sure that everyone who wants to be together gets to ride together.

Don't worry about your stamina or ability level for the riding or ranch activities—be it high or low. Everyone is encouraged to work at their own pace and level. If you get tired, feel free to sit out a session or end early (or schedule a massage). If there is an exercise you are not comfortable with, it's perfectly fine to skip it. There's plenty of time for in-depth questions and discussions and personalized attention. You will be learning alongside all sorts of riders—English and Western, beginner and advanced-- no matter what your level, you'll advance your skills and knowledge tremendously.

September in the Colorado Mountains can be glorious, with vibrant colors, warm sunny days (usually) and cool crisp nights. As always, in the mountains, the weather can be unpredictable but the ranch has a toasty indoor arena when the weather gets blustery. Be prepared with all-weather gear and layers that will make you comfortable in all four seasons. But bring your bathing suit! The hot tub is glorious.

*“Expect to have fun, learn a lot about your horse, enjoy great company and a have a luxurious stay at one of Colorado’s premier guest ranches”

Out of state guests usually fly into Denver (DEN), a major hub airport which is serviced by most airlines. It is a 2 ½ hour drive from the airport to the ranch (115 miles). Some guests rent a car and drive; others will hire a car service (a company called "Home James" provides door-to-door service in a private car; other shuttle van services are available). Another option is to fly into Denver a day early, spend the night then take a cab to the train station and go by train to Granby (leaves once per day in the morning), where the ranch will pick you up (call Amtrak 1-800-872-7245). Once you are at the ranch, a car should not be needed.

Directions from Denver/DIA to C Lazy U Ranch

Proceed south out of Denver Intl Airport until you reach I-70 West. Take I-70 exit and continue on for approx. 1.25 hours (time varies depending on time of day and traffic flow). You will pass the town of Idaho Springs. 7 miles above Idaho Springs you will come to Exit 232. The sign will say "Rocky Mountain National Park & Winter Park." Take Exit 232 and stay on Highway 40 for approx. one hour. This is a two-lane highway that will take you over Berthoud Pass. You will pass through the towns of Winter Park, Fraser, Tabernash and Granby. Once past Granby, continue on Highway 40 for 3 miles and you will come to the junction of Highway 125. Turn right (the only way you can turn) and continue on Highway 125 for 3.5 miles. You will see a large sign over the main Ranch road. Turn right to enter. See the directions on Google Maps [here](#).

Traveling with Horses

Board is included in the cost of the clinic fee; your horse will be stalled in outdoor pens with a shed roof. Please bring feed, bedding, and buckets. Your horse's stalls will be cleaned by the helpful CLU staff.

All horses must be current on vaccinations and de-worming. Horses arriving from out-of-state require a current Health Certificate and Coggins Test to cross state lines. Any horses displaying symptoms of infectious disease will not be stabled.

Colorado state law requires brand inspection (regardless of whether or not your horse is branded) for any horses originating within Colorado and traveling more than 75 miles from their home stable (call 303-294-0895 to locate your local brand inspector). Of course, no one will ever ask to see the brand papers unless you sell the horse (horses that travel frequently can get permanent brand cards).
